

Internal/External Job Posting

Position Title: Infant Development Consultant – Elk Valley Locations
Hours: Part time 7 hours per week
Starting Date: Early September
Salary: as per BCGEU Grid 14-P-IDC Step 1 \$38.68

Job Summary

The Infant Development Consultant supports families in understanding and meeting the needs of their children ages birth to three, who have or are at risk for developmental delays or disabilities. The program is delivered primarily in the family home.

Required skills, knowledge, and abilities:

- Demonstrated knowledge of family-centred service, early intervention, typical and atypical child development, family support and individual planning.
- Skill in administering formal and informal developmental assessment tools.
- Knowledge of the strengths, needs, and diversity of the communities served, and resources available for families.
- Ability to exercise independent judgement and initiative.
- Ability to use reflective practice and a multidisciplinary approach in providing services to families.
- Competency in principles and techniques of early intervention in delayed development.
- Practical experience in working with families with infants with a disability or delay.
- Knowledge base in social and emotional development and infant mental health
- Demonstrated understanding and implementation of trauma-informed and culturally sensitive practice.
- Competency to offer clinical guidance, and reflective supervision to team members.

Qualifications:

- Bachelor's degree in early childhood development or a related field (e.g. psychology, nursing) or equivalent.
- One year of experience working with infants and young children with atypical development and their families.
