

WELCOME and thank you for considering joining the Board of Directors of Community Connections Society of Southeast BC (CCS).

Community Connections is a multi-faceted organization, overseeing a variety of programs focused on children and families, women, seniors, and the vulnerable population in Cranbrook, Kimberley and the East Kootenay region. We have dedicated, highly-skilled staff who go above and beyond when it comes to helping and caring for people.

As a Board we read, listen, learn, discuss, monitor, share, and make decisions based on accumulated knowledge about the society and its programs, always considering what's best for the individuals that Community Connections serves. Continued capacity building, strategic development, sustainability, marketing/awareness, and collaboration (internal and external) constitute the primary focus of the Board of Directors, along with the Executive team and staff. As a governing board, carrying out operational duties of the Society is not part of our role.

Past and current CCS Board members have found serving on the Board an extremely rewarding experience. Below we have provided other documents to help you as you consider getting involved in this valuable community organization! For additional information including program offerings, leadership and annual reports, see ccscranbrook.ca.
